| حل الواجب النائي لمقرر اللغة الإنجليرية |
|-----------------------------------------|
| السوال ١                                |
| .I am not a football fan                |
| .I am either                            |
| <u>Not</u>                              |
| Dont                                    |
| Did not                                 |
| Did                                     |
|                                         |
| السوال ٢                                |
| .I watch a lot of TV                    |
| I do                                    |
| I do either                             |
| I can not                               |
| I do not do too                         |
| <u>I do too</u>                         |
|                                         |
| السؤال ٣                                |
| *Do you like table tennis               |
| Plays                                   |
| <u>Playing</u>                          |
| Played                                  |
| Play                                    |

| السؤال ٤                                     |
|----------------------------------------------|
| <code>\$Would you like a new language</code> |
| Learns                                       |
| Learned                                      |
| Learn                                        |
| <u>To learn</u>                              |
|                                              |
|                                              |
| السؤال ٥                                     |
| .I study with Ahmad                          |
| Ahmad studies with                           |
| You                                          |
| <u>Me</u>                                    |
| I                                            |
| Him                                          |
|                                              |
| السؤال ٦                                     |
| .we are at home                              |
| .Fahad drove home                            |
| You                                          |
| We                                           |
| <u>Us</u>                                    |
| Them                                         |
| @e7sas_ud 😉                                  |
